HAND CRAFTED HEIRLOOMS

Wood species and sizes subject to availability.

We, at Live Edge Venture, strive to build Heirloom Quality Handcrafted furniture.

In 2019, we harvested a few large walnut trees on our property and wanted to dry the slabs to build a table for ourselves. This led to a lumber drying kiln in our pole barn and some resin projects in our garage.

Today, we dry our own lumber, using an EBAC Dehumidification Lumber Dryer, resulting in a more stable live edge slab.

We do end tables, dining tables (up to 48" x 12') in live edge or square edge. (Single slab, Resin, or Glue-up.)

Jonathan, Sharon, Savannah, Angela, Jakobi, Zechariah &
Gabriel Lehman**
